3. Use a bone folder to make a crisp fold along the score line on the square of Moody Mauve cardstock.
4. Attach the Moody Mauve cardstock to the inside of the card using your favorite adhesive so that one half is attached to the very edge of the card base and the other half can be folded over to the front of the card base.
5. Attach one half of the Fresh As A Daisy Designer Series paper and attach it to the Moody Mauve cardstock that folds over the front of the card base.
6. Stamp the detailed flower stamp from the Cheerful Daisies Stamp Set to the lower right-hand side of the Bubble Bath cardstock using Moody Mauve ink.
